

Port Macquarie Panthers Photographic Club, Inc

Vision

Port Macquarie Panthers Photographic Club aspires to support, encourage and inspire the individual creative growth of its members.

Mission 2020

The Club fosters a friendly and supportive environment for photographers of all levels of experience through:

- Group assessment of imagery so that all members grow in confidence and appreciation of the richness of photography as an expressive medium capable of communicating imagined vision.
- Teaching and exploring the connection between artistic/aesthetic vision and technical competence in making imagery.
- Offering special projects/tasks as a structured approach to creativity - e.g. the portfolio process, exhibition, the critique, the experimental.
- Catering for the diverse needs and interests of all members regardless of experience and equipment.
- Engaging guest speakers and conducting workshop activities that respond to the needs and interests of members.
